3 K. NARAYANASWAMY. *Addl. Director.*

FICE OF THE ECONOMIC BOTANIST, DEPARTMENT OF AGRICULTURE, BANGALORE.

Notification

is hereby notified for the information of the public that papaya crop produced on the Fruit Research Station, sarghatta will be leased out to the person who offers best value at not less than Rs. 1,800 (one thousand and t hundred) for the entire crop of the station for one year mencing from the date of lease. The intending persons present their offer to the Economic Botanist, Departt of Agriculture, Bangalore, so as to reach him on or re the 23rd July 1949.

The person whose offer is accepted should pay 25 per of the total value of the crop immediately after acceptance is offer and the balance the next day in full. In default eof the lease will be given away to the next highest . The lessee will be permitted to harvest the crop as and n ready only after the full amount is paid.

3 The lessee should be responsible for proper guarding of the fruit crop immediately his offer is accepted, and no complaint in case of theft, etc., will be entertained and no compensation whatsoever will be paid thereof The lessee is required to give intimation to the Manager, Fruit Research Station, Hessarghatta, before he harvests the fruits every day. The fruits harvested from each tree should be kept near it and should only be removed after the number, weight and the grades of the fruits and other information of the individual trees are noted down. Under no circumstances the fruits should be removed until the necessary details are noted. The crop after harvest must be brought to the office where permit to remove the fruit from the station premises will be issued by the Manager, Fruit Research Station. Under no circumstances the crop shall be removed to residential quarters of the staff in the colony. The lessee should give definite instruction to his watchman in this matter.

4 Any crop found being removed without permit will be confiscated and sold, the realisation being credited to Government.

5 Fruits which are fully ripe should be harvested. Diseased fruits must be allowed to be harvested and destroyed.

6 Whatever fruits are required for experimental purposes, these must be made available at Government rate.

7 The lessee should not claim any compensation for the crops if any, of the diseased branches of trees which may be cut down.

8 The lessee has to make arrangements to have the plants irrigated by his watchmen.

9 The lessee should compensate for any damage done to the trees or any Government property in the orchard during his lease either by himself or by his agent.

10 None except the watchmen of the lessee will be allowed to remain in the orchard. The lessee should employ reliable and honest watchmen.

11 The lessee should further abide by the orders of the Director of Agricultural, Research Institute, whose decision is final in any matter not mentioned above.

12 Inspection of the crop is permitted on 22nd July 1949.

13 The rincipal and Director of Agricultural Research and College, is compe ent not to accept the offer if it is less than the expected value in the interest of Revenue of the Station.

L. S. DORASAMI,
19 *Economic Botanist.*

THE BOY SCOUTS OF MYSORE.

Notification.

12829 K. A. KRISHNAN, *Asst Director.*

OFFICE OF THE MANAGER, GOVERNMENT EXPERIMENTAL FARM, BABBUR.

Notification No. 1, dated 16th June 1949.

1 Sealed tenders for the supply of the undermentioned Feed and Miscellaneous articles to the Government Experimental Farm, Babbur, Hiriyur, about 3 miles from Hiriyur and 28 miles from Chitaldrug Railway Station, during 1949-50 will be received in the Office of the Assistant Director of Agriculture, Chitaldrug Circle, Chitaldrug up to 3 P.M. on 18th July 1949.

2 The tender should be superscribed "Tender for the Supply of Feed and Miscellaneous articles to the Babbur Farm" and the rates offered should be for a maund of 28 lbs. and per palla of 100 seers and per unit shown in the list of Miscellaneous articles including the cost of delivery on the Farm.

3 The tender should be accompanied by an earnest money of Rs. 100 either in cash or Treasury duplicate chellan sent in token of having credited the amount to a Mysore Government Treasury.

4 The acceptance or rejection of any tender rests with the Director of Agriculture in Mysore, Bangalore, whose decision will be final in the matter without assigning any reason therefor.

5 The earnest money of the successful tenderer will be retained and that of the unsuccessful tenderers will be returned at their cost on receipt of the orders from the Director of Agriculture for acceptance or otherwise. The earnest money so retained will be adjusted towards cash security to be furnished by the successful tenderers in fulfilment of the contract.

6 The successful tenderer will be required to execute the Agreement on a 12-anna stamped paper and must deposit a cash security of one fifth value of the articles to be supplied by him within a week from the date of acceptance of the tender.

7 The contract will be in force for about 10 months, *i.e.*, up to the end of June 1950.

8 The tenderer should agree to supply the articles whenever an indent is placed with him. If the tender contractor fails to comply with the indent or if the supply made by him is not approved by the Farm Manager for their quality, he must take them back at his own cost and arrangements made to supply fresh articles and if not, the articles required will be purchased in the open market at his risk and the contractor is bound to make good the loss incurred thereby.

9 The articles should be delivered on the Farm and the articles delivered must be pure and free from mixture. The weights and measurements of the Farm must be accepted as correct.

10 The quantity mentioned in the schedule is only approximate and cannot be guaranteed and in case more quantity is required the tenderer is bound to supply them at the tender rates.

11 Failure to comply with any of the conditions on the part of the successful tenderer will entail not only the cancellation of his tender, forfeiture of the amount deposited by him, but he will also be liable to make good any loss incurred by the Government by calling fresh tenders or to purchase the articles in the open market.
